Recommended Kanazawa Station route

Parking

The blue dotted arrows indicate the recommended routes for regular vehicles (excluding buses, taxis, welfare vehicles, etc.) that are going to the Port Exit (West Exit) of Kanazawa Station.

Map of the Yamagawa Ring Road (Tagami direction) closure area. The map shows the road layout from Nagasaka to Tagami, including the Okuwa elevated bridge, Sakiura-wakunami Tunnel, and various side roads. A red line indicates the closed section from the Okuwa elevated bridge to the Sakiura-wakunami Tunnel. A red box states "From here onwards, Yamagawa ring-road (Tagami direction) is closed". A blue box indicates "Entry from the side road to the main line (Tagami direction) is not possible". A red box shows "Traffic restrictions (one side) 8:35~11:40". Other labels include "Okuwa elevated bridge side-road open", "Sports Depo", "Okuwamachi Minami", "YAMADA DENKI", "AXTOS", "Sail-river", "Wakunami", "Kasamai", "Tagami", and "Suemachi".

This map illustrates the traffic situation in Kanazawa during the closure of the Sainen intersection. Key features include:

- Traffic Closures:** A red box at the top left states "Traffic closed at the Matsumura-machi intersection ahead". A red box at the bottom right states "No access to Kanazawa station".
- Traffic Restrictions:** A red box in the center indicates "Traffic restrictions (all lanes) 9:50~15:10" at the Sainen intersection.
- Detour:** A blue box at the bottom left indicates a "Detour to Kanazawa Station" via the Kanazawa-nishi IC and Nakahashi.
- Infrastructure:** The Hokuriku Expressway (Route 8) is shown running horizontally. The Sainen intersection is marked with a red 'X' and a 'No Entry' sign. Other landmarks include Yamada Denki, McDonald's, Bunendo Tsutaya, Nitori, Sister cities park, and Minamishinbomachi.
- Directions:** Arrows indicate traffic flow, showing a detour route from the expressway to Kanazawa Station via the Kanazawa-nishi IC and Nakahashi.
